[Eureka Globalstars Taiwan 2023-24 call for proposals - National Research Council Canada](#)

[National Research Council of Canada Industrial Research Assistance Program \(NRC IRAP\)](#)

November 15, 2023

Eligibility requirements

be an incorporated, profit-oriented small or medium-sized enterprise (SME) in Canada;

have 500 or fewer full-time equivalent employees;

Preference may be given to SME applicants who have a minimum of 15 full-time equivalent employees;

have commercialized 1 or more products domestically or internationally;

have greater than \$500,000 CAD in annual revenue.

Canadian funding

One country or project partner cannot represent more than 70% of the total project budget.

Eligible Canadian SMEs may receive up to 50% reimbursement of eligible project costs up to a maximum total funding amount of \$500,000 over 12 to 36 months;

Canadian SME participants must be registered NRC IRAP clients. If not already an NRC IRAP client, Canadian SMEs must contact **1-877-994-4727** to determine if they might be eligible for support through the NRC IRAP.

The Canadian application process has 4 phases:

| | |
|-------------------------|-----------------------------|
| Registration, | deadline: February 19, 2024 |
| Expression of interest, | deadline: March 4, 2024 |
| Project proposal, | deadline: May 21, 2024 |

National funding body funding agreement
