

Innowide Call 1

Ranking list - Africa

Important note

The final ranking list includes:

- a 'selection list' with applications that have been selected to receive funding;
- a 'reserve list' with applications that may in the end get funding if one or more applications in the selection list cannot sign a grant agreement

The first 25 successful SME market feasibility project coordinators will be sent a Grant Agreement by the Innowide team at the Eureka Secretariat to be completed and duly signed within the period specified in the notification email. If any of them fail to sign within this period, applicant SMEs in the reserve list following the ranking order will be offered a contract until budget exhaustion.

Ranking score – Africa:

- **Selection list: 151 points (out of 200)**
