

Innowwide Call 2

(Call deadline 17 October 2023)

Ranking list

Important note

The ranking list includes:

- a 'selection list' with applications that have been selected to receive funding;
- a 'reserve list' with applications that may get funding if one or more applications in the selection list cannot sign the grant agreement

The first 70 successful market feasibility project SME coordinators will be contacted by the Innowwide team at the Eureka Secretariat to sign their grant agreement. If any of them fail to sign in time, applicant SMEs in the reserve list (following the ranking order) will be offered a grant agreement until the call budget is exhausted.
